Description:

A scarce large format map of Cuba and the Bahamas with a portion of Florida, which was issued as an Art Supplement to the Philadelphia Sunday Inquirer. Cuba is shown in great detail, as the title indicates. The Bahamas is shown north to Remini Cays, Great Harbor Cay and Abaco and extending east to Long Island, Crooked Island, Miradporvos and Fortune Island. The two northernmost Cayman Islands are also shown. At least a dozen railroads are shown in Cuba, as is every railroad station. The ports, outer islands, mountains and rivers are also shown in great detail. A scarce and interesting map which was apparently a newspaper insert.
