Description:

Attractive original antique map of the western Indian Ocean, showing the region's many islands, including Madagascar, as well as the Tanzanian coastline. This map originally appeared in Pierre de Hondt's 1747 *Historie Generale des Voyages*, a travel book that was supplemented by maps engraved by J. Vander Schley.

The map is very detailed, with numerous islands coastal details, reefs, and more shown. Numerous notes explain the exploratory history of the region, noting the discoveries made. This is based on a French map, with a Dutch-language title provided below and a French to Dutch translation guide shown.

Detailed Condition:

Minor staining in ocean.
