### Description:

Highly detailed map of the upper Plains and midwest and portion of the Rockies. The map illustrates the extraordinary attention to detail exhibited by Stieler's maps, showing towns, dozens of roads, mountains w/elevations, lakes, rivers, Forts, Indian Tribes & Reservations, mines, springs, forests, valleys, etc. It may safely be said the Steiler's maps were the most detailed atlas maps of the period, surpassing even the best American atlases on detail w/in the US.
