Description:

Fine map of the Grand Duchy of Lithuania, published by the Homann Heirs in Nuremberg, circa 1749.

The map was constructed by Tobias Mayer, based upon a manuscript map by a Jesuit Missionary, named here as Ioanne Nieprecki, but for whom we have found various references to the names Jan Nieprecki and Peter Nieprecki. We believe him to be Jan Nieprecki (1719-1754).

Nieprecki's map was apparently one of the earliest original maps of the region.
