Description:

Detailed map of Washington DC, published by SA Mitchell Jr.

The map colored by wards, and shows the Long Bridge, Bridge to Union Town and the streets, buildings and other places of significance in the District.

A nice map of Washington DC, one of the best commercial atlas maps of the period. Decorative floral border. SA Mitchell Jr. acquired his father's former business from DeSilver in 1860 and relaunched a very successful atlas publishing business which survived another 20+ years, before licensing and selling off much of his inventory and rights.
