Description:

Interesting map of America, from an early edition of the Bertius-Hondius *Tabularum geographicarum contractarum libri septem*. . .

The most noteworthy feature on the map is the unusual Northwest Coast of America, which includes a Northwest Passage via the Straits of Anian near Quivira.

The Great Lakes are not yet shown. The map includes unusual projections for California and Florida.

A Large Terra Australis Incognita still appears, connected to New Guinea. Includes sea Monsters and sailing ships.
