Description:

Nice full color example of Speed's rare scarce miniature map of America, from Speed's *Epitome*.

The map shows California as an Island. Virginia is named, as are Florida, Plymouth, Canada, and C. Codd. Fascinating treatment of the northwest coast of America, with a region in the south of the map referred to as "The Onknowne World" (Unknown Southern Continent).

Speed's Epitome is much rarer than the larger folio atlas and therefore this map is quite scarce on the market.
