Description:

English edition of Jansson's map of Chili, with 3 cartouches, sea monsters, sailing ships and 2 ornate compass roses. Extends north to Mutantor and Puerto de Vetus and the R. de. Copayapo and locates at least 50 places, including Santiago de la Nueva Estremadura (Santiago), Baldivia, Osorno, Imperial, Ongol villa nueva de los Infantes, La Concepcion and L Serena. The Andes are shown prominently, with an unnamed lake and Mendoza and San Juan de la Frontera as the only plces named on the east side of the Lake. A good example, with a few spots and some minor centerfold discoloration and reinforcement and a bit of offsetting, but still a good example. From the rare English edition of the Mercator-Hondius Atlas, with a 2 page description of Guiana or the Kingdom of Chile in English on the verso. Normally a \$750.00 map.
