Description:

With Pencil Notes Showing Shipping Rates

Detailed map of the Denver, Rio Grand & Western Railroad, published in August 1941, with a credit to Hugh T. Glen above Shiprock, New Mexico.

The map locates Standard Gage lines (single and double track) and Narrow Gage lines. Hundreds of train stations and stops are shown, serving primarily the mining communities of Western Colorado and Eastern Utah.

The absence of promotional information suggests that this map was circulated to customers and/or salespeople working for the railroad.
