**Description:**

Attractive and decorative mid-17th century map of Spain, showing the delimitations of the various kingdoms and principalities in the country at the time.

The map shows the country in fine detail, with mountains depicted pictorially, rivers, cities, towns, and more all shown. The Balearic isles, part of North Africa, and part of France are also shown.

### Detailed Condition:

Original hand-color, in outline.Minor soiling and toning. French ink manuscript addition to cartouche correcting the title text.
