The map was first issued by HS Tanner and appears in various formats until the late 1850s. The history of North Carolina and its counties from 1830 to 1860 can be tracked through the various editions of this map, as the plate is re-engraved by Tanner, Mitchell, Cowperthwait, Desilver, etc. Here, Harnett, Polk, and Wilson counties have not yet been formed. Includes a table of distances and profile of the Dismal Swamp Canal.
