### Description:

Scarce biblically themed map of the World, published in London by Joseph Moxon.

The map is oriented with the old world at the center, curiously displaying the Pacific Ocean at the far right. The map is surrounded by biblical scenes showing Creation, the Garden of Eden, Moses receiving the Ten Commandments, etc.

A key at the bottom of the map identifies 78 points of interest, including 23 places in America.

This is the second state of the map, which was issued shortly after Pennsylvania received its charter in 1687 (#47 in the Key).
