## Aphrica

**Stock#:** 82791  
**Map Maker:** Quad / Bussemachaer  
**Date:** 1600  
**Place:** Cologne  
**Color:** Outline Color  
**Condition:** VG  
**Size:** 12 x 8.5 inches  
**Price:** Not Available

### Description:

Scarce early map of Africa, published in Cologne by Quad.

Shows a continuous water course from the Nile to South Africa, via a series of lakes in the southern part of the continent. Many interesting early mythical features. Nice wide margins and attractive coloring.

### Detailed Condition:

Major cities underlined in color.
