Description:

Interesting and highly detailed antique map of the Great Lakes region, showing counties and townships, Lake Huron, Lake Ontario and Lake Erie, as well as the Erie Canal and Mohawk River. Vignette show Kingston, Niagara Falls, Native Americans in an encampment, and a beaver.

This map was engraved for *R. Montgomery Martin's Illustrated Atlas*. Tallis was one of the last great decorative map makers. His maps are prized for the wonderful vignettes of indigenous scenes, people, etc. A bit of misfolding at the centerfold. Remarkable color.
