Description:

Fine large-scale wall map of the vicinity of Cannes and St. Tropez on the French Riviera. Showing the rugged yet decorative coastline of the French coast at one of its most glamorous times - the 1920s - this map evokes the stunning beauty of this part of the world.

A number of cities are shown on the map, including St. Tropez, St. Raphael, Antibes, Nice, Monaco, and Ventimiglia, in Italy. An inset map shows Cannes in fabulous detail, with buildings of interest depicted pictorially. The map shows the old harbor of the city and extends to its mountainous countryside.

In all, the simple but highly detailed cartography on this map makes it an evocative piece perfectly reminiscent of southern France.
