**Description:**

***Centered on Watts, with Port Los Angeles North of Santa Monica!***

Fine detailed map of Los Angeles, with an unusual birdseye view style transit map on verso, showing the Los Angeles Basin, with a detailed early map of Los Angeles on the verso.

One of the more curious features is the location of "Port Los Angeles" north of Santa Monica!

Primary Rail lines include:

- Southern Pacific RR
- Santa Fe RR
- Pacific Electric RR
- L.A. Pacific RR
- LA Interurban RR

**Map of Los Angeles City [and] Map of Los Angeles and Vicinity. Showing Railways and Electric Lines radiating from Los Angeles to adjacent Points**

The map extends south to Newport and Huntington Beach, east to Chino, Pomona and Lordsburg and North to Burbank, Verdugo, Altadena and Monrovia.

The vignettes showing small trains on the tracks is quite unusual.

**Rarity**

The map is rare. This is the second example we have ever seen.

**Detailed Condition:**

Original printed covers.
