**Size:** 12 x 15 inches  
**Price:** SOLD

### Description:

Elegantly engraved and detailed map of Michigan, published by Joseph Meyer and based upon Tanner's work in the early 1840s.

The map shows counties, towns, roads, canals, lakes, etc. While often referred to as the "German Mitchell", this characterization is unfair, as the work appears to be a collaborative effort that predates the sale of Tanner's plates to S.A. Mitchell.
