**Map of the Peninsula of Florida and Adjacent Islands. Florida East Coast Railway**

The map shows a connection to Cuba through the Key West and to the Bahamas through Miami.

This map was published with similar titles going back to at least 1894, and was published into the 1920s. According to the Touchton Map Library, [this edition was published in 1914](#).

For three decades this map was how most people visiting Florida found their way through the state.
