**Ocean Pacifique, Feuille 2e. [United States, Hawaii, Mexico, Caribbean, Central America etc.]**

**Stock#:** 8463  
**Map Maker:** Depot de la Marine  
**Date:** 1840 circa  
**Place:** Paris  
**Color:** Uncolored  
**Condition:** VG  
**Size:** 36 x 24 inches  
**Price:** SOLD

**Description:**

Scarce large format map of the Pacific and part of North and Central Ameerica, showing Hawaii, all of Upper California, the Republic of Texas and extending east to include the Chesapeake, Caribbean and northern South America. The Galapagos appear prominently. Good detail in the interior of America, although the map is clearly intended as a coastal chart and most of the place names are along the coasts. Some repairable fold spits, else a good example.

**Detailed Condition:**
