### Description:

Rand McNally's nice two-sheet folding map of Missouri, showing the outline of the state and its counties. The map has a special focus on the railroads operating in the state at the time.

The map is extremely detailed, with counties and townships shown. Many cities and smaller towns are mapped, with the map of the railroads through the state depicted.

This map was published in 1896 in Chicago by Rand McNally as part of their enlarged business atlas, an uncommonly oversized business atlas.

### Detailed Condition:

Minor fold toning.
