### Description:

Fine 17th-century map of Paris and the surrounding countryside, published by Nicolas Sanson in Paris. The map centers on Paris and far to the east into the Champagne and Lorraine regions.

The map is beautifully decorated and shows cities, forests, rivers, towns, and more. The map includes a simple cartouche.

The work was engraved by R. Cordier Abbavil and was published following Sanson's appointment as Royal Geographer.

### Detailed Condition:

Original hand-color in outline. Minor fold toning. Minor offsetting.
