## (Second World War) Probably U Smoke | Convoys have been seen 36 miles away by their smoke

**Stock#:** 87051  
**Map Maker:** Anonymous  
**Date:** 1941  
**Place:** n.p. (United Kingdom)  
**Color:** Color  
**Condition:** VG  
**Size:** 22.5 x 35 inches  
**Price:** SOLD

### Description:

Rare Second World War propaganda poster, aimed at Allied sailors to warn them against excessive smoking (of the ships or sailors themselves?).

The poster seems to suggest that sailors keep their engines in clean and working order to reduce smoke output.

The poster features a cartoon Uboat, looking something like a shark, smiling on its way to attack an Allied convoy.

**(Second World War) Probably U Smoke | Convoys have been seen 36 miles away by their smoke**

The poster is monogrammed "IE 41" in the lower right corner. We have been unable to identify the artist, as the poster is extremely rare.

**Rarity**

This poster is very scarce. We have not located any other examples having appeared for sale.

The Imperial War Museum has a copy of the poster: <https://www.iwm.org.uk/collections/item/object/14155>

**Detailed Condition:**

Minor creases, etc. mended by archival backing on modern poster linen.
