Description:

Nice hand-colored lithographed view of "Cottage Row" in Menlo Park, California.

The lithograph was created in 1878 by Britton & Rey for Moore & De Pue's *Illustrated History of San Mateo County*. The view shows a series of cottages in the midground, a horse-drawn carriage in the foreground, and a church in the background. The cottages are arranged in a row and constitute T.J. Smith's Cottage Row, mentioned in the title. The church in the background adds a sense of history and community to the image.
