Description:

A classic wall map of the United States, produced by Samuel Augustus Mitchell in Philadelphia in 1843.

The inner map extends west to Texas, Indian Territory, and a massive ephemeral Iowa Territory, extending to the Missouri River and Canada.

The map includes a border with plans of the vicinities of 32 major American cities. It also includes an inset titled "Map of the North-Eastern Boundary of the United States. According to the Treaty of 1842." which shows the settled Maine boundary that had been a matter of contention since the Treaty of Paris in 1783.

Detailed Condition:

Original hand-color retouched. Cleaned and varnish removed. Linen and green selvage renewed. Mounted on wooden dowels. Some remaining toning and staining but overall VG.
