Description:

Marvelous map of Texas, Mexico and the Southwest, showing the Republic of Texas.

Includes excellent pre-Fremont cartography in Upper or New California, although the 3 rivers feeding the two Great Salt Lakes in Utah have been changed from the earliest editions of this map. Lake Teguayo has been pushed far to the West of its usual location to preserve its connection to the Pacific, although Salt Lake is no longer connected by a water route to the Pacific. Excellent post-Humboldt, Long and Pike Cartography in the Rocky Mountains.

Early Texas details include Austin, Houston, Bastrop ou Mina, Ft. Madagorda, Guardia y Barca, Ft. del Altar, Washington, St. Patrick, and other place names. The color coded key in the western part of the map names the Republique of Texas (along with Mexico, Guatamala, Central America, the United States and

the Russian and English Colonies, however, the colorist has adopted a post-1845 coloration of the borders, despite the use of the Republic of Texas in the Title and on the map.

An essential map for collectors of the Republic, being one of the only maps in any language to use the name *Republique Du Texas* in the title.
