**Description:**

Rare teaching map of the history of the United States, advertised for sale by Bacon in 1899.

The map was part of Bacon's Excelsior School-Map series and specifically the "Excelsior Wall-Atlases For Secondary Schools"

The present set of 5 maps on a single sheet shows the history of the United States.

1. The top map shows the United States, colored based on the various acquisitions of territory which led to its then current configuration, along with historical dates, such as the first settlements in each region, dates of discovery and exploration, etc.
2. The second map illustrates Toscanelli's Map of 1474, the map drawn from the Behaim globe and utilized by Columbus on his first voyage, with the actual location of America superimposed over the
