### Description:

#### *Madison Square Park To Central Park -- Mapping Midtown*

Information packed map of Midtown, from the East River to the Hudson and 23rd to Central Park, published by Norman Garbush.

Garbush's map of Midtown offers a unique and information packed perspective, providing a record of the major businesses and other enterprises that were operating in the area at the time of its creation. The inclusion of an index of subway stations and other navigational aids also makes it a useful tool for those
