Price: SOLD

Description:

Separate, Pocket-Map Issue

Detailed map of Wisconsin, colored by counties, with massive Oconto, Marathon, La Pointe, Douglas, Polk, and Chippewa counties dominating the north.

Inset of "Vicinity of Milwaukee." Shows towns, townships, lakes, rivers, post offices, etc. Decorative border.

A terrific map, from J.H. Colton, one of the most prolific American mapmakers of the mid-19th century.

This map was probably based on Colton's township map of Wisconsin, which he began issuing earlier in the 1850s.

Detailed Condition:

Original hand-color. Folding map mounted in original cloth covers. Minor spotting where mounted to the covers and in the lower-right corner, otherwise excellent.
