<b>Size:</b>	16 x 13 inches
<b>Price:</b>	SOLD

**Description:**

Fine example of Colton's map of Indian Territory, the earliest obtainable map of Indian Territory to appear in a Commercial Atlas.

The map is colored by Indian Nations, and shows a massive Cheyennes and Arapahoes Nation at the top, with 11 other nations named. Many references to treaties are shown, along with early towns, forts, settlements, roads and other details.

An essential map for Indian Territory collectors.
