### Description:

Interesting original vintage map of the lands managed by the Department of the Interior west of the Mississippi in 1924.

This map shows National Parks, National Monuments, reclamation projects, and a wide variety of other Department lands, offices, and managed areas. Roads and rivers are also shown. The map shows Craters of the Moon National Monument, which had just been founded in 1924. Also founded that year were Castillo de San Marcos, Chiricahua, Fort Matanzas, Fort Pulaski, and Wupatki.

This map was compiled by M. Hendges and revised by J. J. Black under the direction of I. P. Berthrong. The map was engraved and printed by the USGS.
