Floride

Stock#: 9040
Map Maker: Mallet
Date: 1683
Place: Paris
Color: Uncolored
Condition: VG
Size: 6 x 4.5 inches
Price: SOLD

Description:

Increasingly rare map of Florida and the South from the scarce German edition of Mallet's Atlas. The map is based largely upon the earlier maps of Sanson and Du Val, providing excellent detail from the Mississippi Valley to Florida, retaining the apocryphal Lake May and misprojected location and course of the Mississippi. Cumming 106. A nice example, from the Mallet's monumental work.
