Description:

Rare edition of Colton's map of the Southwest, issued in the 1861 edition of *Colton's Atlas of the World*.

Colton's map of the Southwest was first issued in 1855, showing only Utah & New Mexico Territories. Over the next 10 years, a number of variant editions were issued, including 3 editions naming Colona.

This is a scarce edition of the map, showing Colorado, Nevada and Arizona. Nevada is in its truncated configuration, with the eastern border west of its final location. In the 1861 edition, a number of counties traverse all of Nevada, Utah and part of Colorado, extending to the Rockies.

The best map of the American Southwest to appear in Civil War period atlas.
