Condition: VG+
Size: 8.5 x 6.5 inches
Price: SOLD

Description:

Great Lakes and The Ohio Valley in the 1740s

Fantastic early map focusing on the Great Lakes in North America, from De Vaugondy's *Atlas Portatif*.

The map would appears to follow D'Anville's treatment of the Great Lakes, with a marvelous depiction of the Upper Mississippi River.

Chicago is named, as are a number of other early French forts.
