Description:

Marvelous map of North America, published In London by Hinton, Simpkin & Marshall.

The map includes a double wide Arkansas Territory, massive Missouri Territory extending to the Rocky Mountains, wonderful early Russian Territory with a still primitive coastline, etc.

Oregon is New Albion. The Columbia River is shown in nice early detail.

New California is a Mexican possession. Nice detail in Texas, which is yet to become a Republic.

Excellent detail up the Rio Colorado. The continuous Rio Sacramento extends tentatively to the Great Salt Lake (Teguayo). Very nice detail along the Rockies.
