Description:

With James Stirling's Explorations Along the Swan River in Western Australia.

Rare French chart of the Pacific Ocean, focused on the explorations by Cook, La Perouse and the Russian explorers in the North Pacific Ocean.

The map provides a comprehensive overview of the region, with updated

Detail includes not only all the known islands throughout the Pacific, but also geographic detail in Asia, North America and South America, primarily focusing on mountains and rivers, with only a few cities identified.

The large inset shows the area around modern day Perth, illustrating the explorations in the region by British Captain James Stirling in 1827.

Detailed Condition:

Soiled at bottom center.
