Description:

Reduced-size cabinet card version of Eli Glover's rare 1875 bird's-eye view of Salt Lake City, Utah.

The view includes wonderful building-level detail throughout the entire city, including of the major Mormon landmarks at Temple Square.

Glover was a peripatetic viewmaker, and published the present view in Salt Lake City, though the view was printed by Strobridge & Co. Lith. in Cincinnati. This photo was likely made by C.R. Savage or another local Salt Lake photographer.

Rarity

Salt Lake views, like all Western bird's-eyes, are rare in any format. We find no record of the Glover having traded in the antiquarian auction market in RBH.

Detailed Condition:

Albumen photograph of a lithographed bird's-eye view, mounted on an orange cabinet card. Minor wear at the edges.
