### Description:

This remarkable 1787 map, titled "Les Etats Unis de L'Amerique Septentrionale Partie Occidentale" and published in Paris, depicts the region between the Mississippi Valley and the Appalachian Mountains during the time of the American Revolution. The map showcases exceptional detail for the period, including numerous Native American tribes, French forts, and a wide range of other geographical features. As a visual representation of the area during a significant moment in American history, this map offers valuable insights into the landscape and human activity in the region at that time.
