Fascinating birdseye view style map, showing the view from the top of the Prudential Building in Chicago.

Completed in 1955, the Prudential Building was one the tallest buildings in America and offered unparalleled views from its observation deck.

This view provides an entertaining 360 degree panorama of the site lines, with about 50 Chicago buildings identified and illustrated.

The view notes that "It is worth a trip to Chicago just to see the view from the Observation Deck of the Prudential Building." There one could dine at the fabulous Stouffer's Restaurant, situated next to the viewing platform and dubbed "The Top of the Rock" (The Prudential Logo is the Rock of Gibraltar).
