### Description:

Highly detailed Rand McNally map of New York and vicinity with inset of Manhattan.

Columbia College, the school that would become Columbia University, is on 49th St and Madison Avenue. The Croton Reservoir has two portions: The upper which would later become the Jacqueline Kennedy Onassis Reservoir and the lower which would be filled in to create the Great Lawn. Lenox Hill Hospital is the German Hospital, built for the large immigrant community in the area at the time; it would retain this name until 1918.
