The map includes a remarkable amount of historical, topographical and military notes and details concerning the British Colonies and neighboring regions, along with a large inset map of the Pacific, showing the various French Trading Routes to the new world from Brest, Nantes, Rochefort, Lisbon and Cadiz.

One of the earliest general maps of the British Colonies to reflect the commencement of the Revolution. Excellent Indian & Colonial detail, especially in the Ohio Valley and Western Virginia, where a number of early English Forts and Settlements are noted.
