Condition: VG
Size: 21.5 x 18 inches
Price: SOLD

Description:

Rare map of Asia by Nicolaus Blankaart, a Professor of Leiden who produced 3 maps (Africa, Asia and Europe) for Jansson in 165. The map is dedicated to D. Gerardo Schaep. The map extends from the Mediterranean and Black Seas in the West, to Scythia and China in the Northeast, south to Borneo, Java and Sumatra and including the Indian Ocean and African Coast to Ethiopia. A group of 12 medallions show the ancient rulers and other regional symbols. Excellent detail throughout the map, especially in Central Asia, India and Southeast Asia. A striking example of this scarce map.
