Description:

Stunning map of Jamaica and Barbados from the pre-eminent English map maker of the 17th Century. The map was actually entraved by Lamb for the 1676 edition of Speed's Atlas, one of a small group of maps added to the later editions. Gorgeous full color, with cartouches, coats of arms, sailing ships, sea monsters etc. English text on the verso describes the two islands in great detail. A fine wide margin example of this highly desirable map.
