Bowles New One-Sheet Map of the World laid down from the latest observations and ... New Discoveries ... by Byron, Wallis, Cook, Bougainville, Perous, Vancouver and others...

Stock#: 9967
Map Maker: Bowles & Carver
Date: 1799
Place: London
Color: Hand Colored
Condition: VG
Size: 29 x 15 inches
Price: SOLD

Description:

Stiking double hemisphere map of the World, with decorative title cartouche, representations of the four continents in the corness and and ornate compass rose. The recent discoveries in NW America, Australia, New Zealand, Hawaii and the Pacific are in evidence, with notes on explorers tracks throughout the map. A bit of offsetting, but overall a gorgeous example of this scarce late 18th Century large format double hemisphere map.
