**Description:**

Nice example of the 1810 edition of Arrowsmith's 4 sheet map of Scotland.

The map was prepared from the best available surveys and is without question one of the most up to date and detailed maps of Scotland produced to date. The present example bears the signature of R.E. Payne, apparently an early owner.

**Detailed Condition:**

Separately issued 4 sheet map, dissected and laid on linen. Most of original light blue silk edges are still present. Minor offsetting and a few corners rubbed and creased. Overall an excellent example. Original marbled slip cover present, but not in g
