## A New and Accurate Map of the Province of Georgia in North America

**Stock#:** m0063  
**Map Maker:** Universal Magazine  
**Date:** 1779  
**Place:** London  
**Color:** Uncolored  
**Condition:** VG  
**Size:** 13 x 11 inches  
**Price:** SOLD

### Description:

Scarce map of Georgia, extending from the Savannah River and parts North to the Appalachiola River, and touching on East and West Florida. A number of early roads are shown, including several trading paths, early forts and Indian references. One of the few Colonial American Maps to focus on Georgia. A bit soiled and a few marginal tears, but generally a very nice example of this now rare map.

### Detailed Condition:
