Rich full color example, from the first edition of Carey & Lea's Atlas. One of the most detailed maps of the Virgin Islands to appear in a Commercial Atlas. The islands are identified as English (red), Spanish (yellow) and Danish (green). Lengthy narrative text below includes details about the islands, climates, towns, soils, government and history of each. Increasingly rare on the market. Carey & Lea's Atlas is highly prized not only for its cartographic information but the marvelous information about each of the states and territories which is included. The atlas was issued in 6 editions in English, French & German between 1822 and 1827.
