Stock#: m0144
Map Maker: Bradford
Date: 1838
Place: Boston
Color: Hand Colored
Condition: VG
Size: 14 x 11.5 inches
Price: SOLD

Description:

A very good wide margin example of the first edition of Bradford's map. The map is hand colored by counties and shows very early railroads, towns, rivers and other details. The early northern counties are still not well formed. Includes very early rail lines throughout the state. A good example in full original color, from this very scarce atlas, which is now selling for over \$10,000.00 in its complete form.
