### Description:

Nice early large format pocket map of the Mid Atlantic region, hand colored by counties, with large insets of the vicinities of Philadelphia, Lancaster, Pittsburg and Lehigh/Schuylkill.

Map includes towns, roads, railroads, mountains, rivers, lakes, distances along main roads and other details. Some soiling and a bit of loss at the intersections and along the folds, and a bit at the lower right, but still a good and nicely colored example. Folds into 16mo brown cloth covers w/ gilt title. Minor water damage and map laid in loose. Unusual wide decorative border has been recently added.
