Description:

Striking large format map of Canada by Arrowsmith published in many versions from 1832 to 1859. This map shows, cities, rivers, topography, and many early place names in Canada. The US, Mexico, Greenland and Russian America are also shown. the detail in the Northwest portions of Canada are substantially revised, although the same cannot be said for the treatment of California, which is still part of Mexico. One of the best and most detailed maps of the period for western Canada.
