### Description:

Large map of the West Indies from Reid's American Atlas. This map is a copy of a map in the London edition of Winterbotham's Historical..View, 1795, by J. Russell Shows excellent detail of the Caribbean. One of the earliest obtainable maps of the Caribbean printed in the US. Wheat & Brun 697. John Reid's American Atlas was the second folio sized atlas published in the US. Reid's atlas was originally issued to accompany Winterbotham's Historical, Geographical, Commercial and Philosophical View of the United States. It was originally issued with 20 maps, which were engraved by Benjamin Tanner (9), David Martin (5), D. Anderson (2), John Scoles and John Roberts. Two of the maps are without credits. Ellicott's plan of Washington D.C. was added to a few examples. Because the Six inch repaired fold split and minor foxing, else a good example.
